REMININDERS:

HARMONY DAY tomorrow. Everyone is kindly requested to wear ORANGE or a national costume and students have been asked to bring a plate of food for the multicultural class lunch. For the privilege of non-uniform, students it would be appreciated if students could make a gold coin for the SRC Bandaged Bear fundraiser - Westmead Children’s Hospital. Grazie mille for your support!

It’s not too late for your child to opt into the Christian Education classes being held on Thursday afternoon (3 April) of Week 9. Both the junior and senior classes will be exploring the question of why and how Easter is celebrated. (The parent note for participation is on our website).

Cari Genitori

Yesterday morning, the Year 5 and 6 students departed for their three days of adventure and challenge at Camp Cooba just past Cooma. Over the years, camps have become increasingly complex to organise but no less a wonderful experience for both students and staff – if not a bit tiring! Signora Cansdell has put in an extraordinary effort to ensure all the prior preparation means the camp goes smoothly and we wish her, Signora Brissoni, Maestra Bomball, Maestro Scerri and all the students a safe, fun-filled time with lots of learning during and after the camp. May they experience challenges and create memories that last a lifetime!

Nuts’n’Bolts of the Italian Bilingual Program – Information Evening: Tuesday 1st April, 6.30 – 8pm

We hope that there will be keen interest in an information evening on how Italian is taught at our school on the second last Tuesday of this term. Signora Brissoni – our Italian Program Coordinator along with the other Italian teachers will be facilitating a session that explains how the international bilingual methodology called CLIL (Content Language Integrated Learning) is incorporated into teachers’ planning and delivery of lessons in Italian. There will also be ample opportunity for a Question and Answer session after this presentation. The session will be held in the library.

Please remember we are an Anaphylactic Friendly School. Please do not bring nut products into the school, and be aware that “Nutella” spread and many muesli/health bars contain nuts.
Relief Teachers
Parents may notice on occasion the presence of relief teachers in our school. Teachers who provide relief for Yarralumla classroom teachers are selected through an online booking system with attention to their experience and suitability for a class. They are requested to follow the class teacher’s day plan of literacy and numeracy blocks and to ‘teach’ our students. It is a time consuming and often 11th hour task to organise relief teachers and the relief coordinator (in our case, Signor Synnott) can often experience the frustration of insufficient numbers of relief staff to cover teacher last minute absences. We are fortunate that relief staff choose to work at our school—a positive indication of the calibre of our students and quality learning environment. We ask for your understanding when your child’s regular teacher is not able to take their class on some days for a variety of reasons. These obviously include illness but also teachers’ attendance at professional learning workshops facilitated by our Education Directorate, conferences, supervision of students at zone sport carnivals, assisting at camps to meet gender balance requirements, (especially the case this week with Maestro Scerri at Camp Cooba) and parent/teacher interviews conducted in school hours.

Friday Enrichment
Enrichment activities started successfully on the last non-assembly Friday despite a premature finish at 2.40pm due to a faulty alarm that required another visit from the Fire Brigade. Despite the hiccup, students were fully engaged in their choice of activity that covers a range of interests thanks to the talents of our staff: pottery, drama, chess, lego, science experiments, modern and Bollywood dancing, creative minds, gardening, mosaics, fashion design, stop motion media, athletics and textile craft. Unfortunately as we have so many staff out of the school this Friday with attendance at camp and/or a conference, enrichment will resume in Week 9. Watch out for news and photos from each group in forthcoming newsletters!

That’s all for this week. Let’s keep enjoying these beautiful clear and sunny autumn days even if the mornings are now a bit brisk!

Cordiali saluti
Lea (Signora Chapuis)

QUOTE OF THE WEEK - a good one for our Year 5/6 students this week facing some challenges at camp.

“You gain strength, courage and confidence by every experience in which you really stop to look fear in the face. You must do the thing which you think you cannot do.” Eleanor Roosevelt

BOUQUETS
Students: To Paul Grixti Hopkins for the great progress he is making with his stories and hand writing and for being so happy to share it with Signora Chapuis. It really ‘Made my Day!’

To all the diamond, tee ball and softball players who represented our school so wonderfully in their respective teams at Saturday morning sport over the summer and who spoke proudly of their team spirit at last Monday’s COLA gathering: Olivia and Laura Castle, Eliza and Bronte Coggan, Sophie and Maddie Lowe, Alice Collins, Myles and Richie Johns, Owen Eastley, Ellen Mihaljevic, Georgia and Luca Sostarko, Elizabeth and James Pratt, James and Sophie Hehir, Allegra Senti, Freyja Bacsai-Ruffolo, Imogen Foley, Lily and Marley Campton, Charlotte Dawes, Isabella and Nick Mazzoli.

It was a delight to see them all in action at their final matches last Saturday. Bravo a tutti!

Staff: To Signora Sharon Brissoni for her leadership of the Italian Language Focus group and its development of Italian language benchmarks for all grades.

To Signora Jayne for her organisation of Harmony Day and encouraging us all to join in the spirit of the day.

Parents: To Colette Harkin for ‘Being There’ for all our students every Friday with her coordination of school banking.

To Zoltan Backsai for his mathematics expertise and volunteering to teach and extend our year 5/6 students to solve curly maths problems.
Yarralumla Twilight community Market -
Saturday 29th March 3-7 pm

Join us for this fun community event which will help in raising funds for our school.

We anticipate having around 30 stalls – trash and treasure, craft, food, live music, jumping castle, face painting, fairy floss and much more. The Yarralumla Residents’ Association is partnering with us and have sent out info to the Yarralumla community inviting them to come along, bring a picnic and browse the stalls.

The P&C is running a BBQ, book and cake stall - we would appreciate your baking talents, unwanted reads and a spare hour or so to help out on the day. Our last few events have included what is fast becoming a traditional pack-up happy hour – BYO!! If you can help, please add your name to the roster in the piazza or email Renee at yarralumlaprimaryevents@gmail.com

Cake Stall
Baked goods can be left in the meeting room opposite the front office on Friday 28th March or delivered to the cake stall from 2 pm on market day. Please cover cakes and label with ingredients and the date they were baked. Please remember – NO nuts or cream fillings. Please label any containers you wish returned to you. Look out for the box in the foyer with plates, ribbons and bags for cake packaging.
Stall organiser - Renee Jeffrey

Book Stall
Donations of books, DVDs, puzzles and board games can be left in the piazza in the labelled boxes. Sorting your donations when you drop them off will make it easy on market day to pick up and put out for selling. Spare boxes are also appreciated and can be left in the same place. Please NO magazines, encyclopedias, toys or other trash and treasure.
Stall organiser – Heidi Strachan

Sausage Sizzle Stall
Can you spare some time on the day to help out? BYO apron and maybe your favourite pair of tongs!
Stall organiser - Lisa Lockey

The YPS Canteen has just launched a new website which will bring us a step closer to a paperless ordering system http://www.ypscanteen.org.au

The menu will always be published here as well as in the newsletter and once you have registered for an account you can use the form to send an email order or fill out the Order Form in the Lunch Orders area on the website and forward to canteen@thewoodfordchurch.com.au, keep posted as this will be changing. Hard copies of this order form will be left at the front office for families who do not have access to the internet.

Recipes used in the canteen, menus, special events and a volunteer’s portal are also being worked on and some content is already there for you to have a look through. It is only new so please forward your ideas and feedback.

Menu at back of Newsletter.

Thanks,
Caroline

Kindergarten

Ciao,

In English, our focus is continuing to learn our sounds. Last week, we read the big book ‘Poor Old Polly and learnt about /p/ and /f/. We loved predicting what was on the next page and made
a tally and graph of our predictions. We are practising our correct letter formation (in both lower and upper case) so we are confident as we begin to write. We have also begun to learn about the 12 ‘Golden Words’ (a, and, be, I, in, is, it, of, to, the, that, was). The 12 Golden Words make up one quarter of all of the words used in English reading and writing. Our aim is to work towards having automatic sight recognition for these words as they increase our reading fluency (rate of reading), and reading comprehension as well as our confidence as we learn to read. We’d like to thank all of the parents who attended the Reading Information Evening last Tuesday. If you were unable to attend, notes from the presentation were given to students last week. If you require another copy, please let us know.

In maths, we are learning about the numbers from 0-10 and how we can represent these in different ways. Last week, we wrote the numerals from 1-10 (and even beyond) onto mini whiteboards and used counters to represent each number. We then went outside and wrote BIG numbers on the concrete in the playground. We have also started to count by 2s as we count our way to 100 days of school!

In the Italian class, we are having a lot of fun learning about the weather and the appropriate clothing for warm and cold days. We have also talked about the current transition from summer to autumn and we are enriching our Italian vocabulary on weather, clothing and seasons through songs, role-plays, dressing up games, visual art activities and the big book ‘Il temporale’. During our Italian literacy sessions we are continuing to focus on the recognition and pronunciation of Italian vowels. A big ‘grazie!’ to all the Kindergarten parents for their ongoing efforts in supporting their children with reading practice at home. Bravi!

We have been getting creative in the Art room this week but we have noticed a shortage of smocks. If you have any large, old shirts for us to use as art smocks, please contact Maestra Federica. We would sincerely appreciate it!

We have been working hard in English. The students have been preparing and delivering some excellent speeches on a variety of topics including deserts and siblings. We have some very talented and comedic public speakers amongst us. Our 2014 school Rostrum competition is set to be competitive. Another exciting project the students have been working on is writing and publishing a book about themselves using the application Book Creator. These books have been written to read to their Kindy buddy and are most enjoyable and appreciated.

Students are also engaging in weekly Mindfulness sessions. This session includes a 10-15 minute guided relaxation followed by a debrief where everyone gets to share their reflections on the experience. Most students are finding the time
beneficial and some are still learning how to focus on themselves and do nothing. We do feel that it's helping us find strategies to deal with our busy lives. We will take good care of your loved ones at camp, enjoy the break! I'm sure they will have many stories to share with you when they return.

Maestra Cansdell and Maestra Brissoni

I need to confess something; I am passionate about books and reading. Which is why in 2009 I returned to Uni to undertake training to be a Teacher Librarian. It was hard work and even harder on my family, so many things I will write about relate to reading and the role that you play at home in encouraging your children – our students to be active readers.

**Top Tips to make your home a Reading Home**

1. Read yourself. If you want your children to read, they need to see that you also value reading. Children copy what they see adults doing.

2. Make a time to read – read a bedtime story every night, or chat with your children about the books they are reading, or have a group reading time, where everyone sits around and reads together and then shares their story.

3. Read in any language you speak at home. The important thing is that your child reads.

As children get older, they often become reluctant readers – as it is perceived as less cool than electronics but it is important that we keep them in touch with reading because it empowers them. Ways around their reluctance:

   a. Ask them to read to younger members of their family.

   b. Have them check out reading websites such as

      - [www.cool-reads.co.uk](http://www.cool-reads.co.uk)

   c. Don’t forget the power of peers; get them to ask their friends for book ideas. If someone else reads it – it’s probably OK.

A favourite quote that I have up in the library, says this;

‘I’ve travelled the world twice over, Met the famous, saints and sinners, Poets and artists, kings and queens. Old stars and hopeful beginners.

I’ve been where no-one’s been before, learned secrets from crooks, All with one library ticket. In the wonderful world of books.” -Anonymous

Always remember to ENJOY your reading.

Maestra Jayne

**ALFRED DEAKIN HIGH SCHOOL VISIT**

Last Monday, eight year 4/5 students were invited to attend the Alfred Deakin Maths/Science day. We received positive feedback from both Alfred Deakin and the students; the students were excited, engaged and contributed well to all activities and discussions. This is what Oliver Lockey had to say about the day's events: 'We made a dome out of newspaper, straws and sticky tape. We also made vehicles that the teacher dropped from 5m onto concrete. We had to make them so that the egg inside didn't break. We made a parachute. We did maths problems and had lunch and recess in the quad. The students there were huge!'
Harmony Day 2014
Friday 21st March
Yarralumla Primary Celebrates!
This year the SRC has joined with Harmony Day celebrations to raise money for Bandaged Bear and the Children’s hospital at Westmead.
We are asking all students to come to school dressed in traditional dress from their country of origin or to wear Orange. Students will be asked to make a gold coin donation for this privilege. We are also asking students to bring in a plate of food from their cultural background to share with their class at lunch. Please remember to be allergy aware.
Harmony day is about recognising that we are ‘One Country’ made up of ‘Many Cultures’.

$1.00 each – YUM!
Yarralumla Primary supports the Commonwealth Bank School Banking program. Some of you might have seen 'Pat the dog' at morning line up last Monday, which is one of the mascots of the program. All students are welcome to participate in this program, which is a great way for kids to understand and appreciate the importance of saving.

Each Friday we collect the bank books from the classrooms and bank the deposits. We will return the books to them on Friday afternoon. For each deposit a child makes, they receive a token. Once they have collected 10 tokens, they can 'spend' them on Commonwealth Bank merchandise.

If your child does not already have a Commonwealth Bank Youth Saver account, you can set one up for them at any branch. You should receive a yellow deposit book. Send your child’s money in with this book each Friday and we will add them to the Yarralumla School Banking program.

If you have any questions, please talk to Melissa Coggan or Collette Harkin.

**LOST PROPERTY**

There have been a few items of clothing missing. Could you please check the labels on your child/ren’s clothing and hats as they might have accidentally picked up the wrong ones and please return asap to the Front Office if they do not belong to your child.

---

**Lost Property Alert!**

The P&C has chosen to adopt a Lost Property Policy which will be implemented as of this week.

I will be co-ordinating student volunteers to clean-up and clear out the lost property cupboard (located in the hallway just past the uniform shop) on a regular basis.

We will be clearing out any unclaimed items from the cupboard up to twice a term.

The Clear out dates for 2014 are as follows:

- **Term 1 – **THIS FRIDAY
- **Term 2 - **Friday Week 4 and Friday Week 9
- **Term 3 - **Friday Week 4 and Friday Week 9
- **Term 4 – **Friday Week 4 and Friday Week 9

If items are labelled, they will be returned to their owners on the clear out day, however if they are not, we will:

1) Place any unnamed school uniform items in the second hand clothing pool in the uniform shop
2) Donate all non-school uniform items to charity
3) Throw out any unnamed items that are in poor condition; and
4) Throw out any plastic containers, drink bottles or cutlery

To help reduce the build-up in lost property, please ensure all items are clearly marked with at least the surname of your child and ensure that your child regularly checks the cupboard for lost items.

Many thanks
Rebecca Sostarko
On behalf of the P&C
