PARENTS’ CHECKLIST

(Reminder of things to DO)

REMINDERS:

P&C Meeting tonight at 6pm in STAFF ROOM. Please come and vote on the three expenditure motions tabled for discussion.

It’s NOT too late to make a VOLUNTARY CONTRIBUTION towards your child’s education this year! Funds received go towards maths and literacy classroom resources, Italian readers and science and PE equipment. Instalment payments are also appreciated. We are still aiming to meet our voluntary funds target so please help us reach it! . Bank details for direct debit are BSB: 032777, A/c No 001906 Ref: Vol Con and surname.

Cari Genitori,

What a splendid day we had yesterday for the Athletics Carnival. After another frosty morning, we were relieved to have a sunny, calm day when students ran their hearts out, parents cheered and lots of photos were snapped! We were most grateful for enough parent helpers on the day (check out the bouquets) and to see so many of our families supporting their offspring. A particularly big thanks to maestra Webster who did an excellent job organising the carnival and to our visiting Italian teachers who had a whole new experience judging races! Most of these races needed to be run as heats for the different age groups and students whose overall times qualified them as placegetters (1st to 4th) received ribbons in the afternoon in the hall. Kindergarten students will receive their ribbons early next week!

New staff members

This week we welcomed back maestro Dave Matthews to our school as a part-time teacher after recently completing his final year intern practicum with maestra Stewart. Maestro Matthews will be with us on Tuesdays and Thursdays. We also welcome to our school maestra Dee Nelson who joined us yesterday and will be working with maestra Couch supporting small groups of year 3/4 students in literacy and numeracy every Wednesday to Friday. Our visiting Italian teachers have well and truly settled into the school routines and have been of great assistance to our Italian teachers with preparing and sharing teaching of the history inquiry units. A highlight for them this week was a cocktail hour on Tuesday evening at the Italian Embassy residence with the Italian Ambasssador, His Excellency Pier Francesco Zazo and his wife Svetlana. Their warm hospitality was greatly appreciated, as was the ambiance of their impressive residence! Grazie mille to them both for this kind invitation. No doubt our Italian visitors’ easy adjustment is also due to the continued warmth and support they are receiving from our generous Yarralumla host families. Grazie ancora to you all!
Board Update
Last week the Board was able to finally ratify our school’s Italian Bilingual Language policy. This policy was drafted late in 2012 and sent out to the community for a six week consultation period. It was also submitted last year to the Education Directorate for review and feedback. As a result of recommendations from these processes, amendments were made and these were endorsed by the Board at last week’s meeting. The policy will be up on the website next week.

School Satisfaction Survey
Once again we are seeking parental support for feedback about our school. I appreciate that many parents completed the NATIONAL Australian School Climate Survey last term. However the ACT Education Directorate also requires every school to do an annual School Satisfaction Survey which is conducted in Term 3. Fortunately next year, these two surveys will be combined! Understandably, we all feel surveyed out! However in the interim I seek your patience and understanding to once again go online and do the five minute anonymous survey. The survey opens next Monday 11 August until Friday 29 August. You will receive an email notifying you how to access the survey next Monday. Grazie mille for your support.

Maintenace Works
The school was a very busy place during the winter break addressing various maintenance issues. Have you noticed that our driveway potholes are now fixed, the large storage container is now off our playground, more new signage, new speakers on outside walls, and the flooring outside the art studio is now repaired. New linoleum floor covering and painting will be completed in this area in the next month or so. The much needed re-furbished electrical work for the canteen hotplates and new power outlets in the art studio end of the school has been approved by the Directorate and will commence next month. Unfortunately rotting flooring underneath the art studio appears to be more widespread and will take more time to fix. In the meantime, students and our hirer’s Aeonacademy are still able to access sufficient space to conduct art activities. Ah, the challenges of old school buildings! This year we are 57 years old!

Let’s keep enjoying these lovely clear frosty days!

Cordiali saluti e ciao
Lea (Signora Chapuis)

QUOTE OF THE WEEK – a poem from Walk Waldo Emerson that I couldn’t resist!
To laugh often and much;
To win the respect of intelligent people and the affection of children;
To earn the appreciation of honest critics and endure the betrayal of false friends;
To appreciate beauty;
To find the best in others;
To leave the world a bit better, whether by a healthy child, a garden patch
or a redeemed social condition;
To know even one life has breathed easier because you lived.

This is to have succeeded!

BOUQUETS THIS WEEK
Students: To ALL students who participated so enthusiastically in the Athletics Carnival giving it their best. To Alec Wilson (year 5) who volunteered to help some of our less able students to run in races and encourage them right to the end. A wonderful kind gesture on Alex’s part.
To Menzies, McKell and Slim house captains and also Amanda Vunipola in Slim: Menzies-Noah Buchanan, Lucy D’Arcy, McKell- Brooklyn Suraci, Iziaah Wilson, Slim-Matteo Biscotti, Marcus Mele for their organisation of their houses and ensuring their house members turned up for their races. Bravissimi ragazzi!
Staff: To maestra Jo Webster for ‘Making our Day’ with her organisation of a successful carnival. To maestra Sarah Veitch for ‘Being There’ for all the year four to six students with their rehearsals at lunchtimes and excellent preparation for the Limelight performance on Friday 29 August.

Parents: To the Italian Ambassador and his wife, Signor Pier Francesco Zazo e Signora Svetlana Zazo for their kind invitation to the visiting Italian teachers for a ‘Happy Hour’!

To all the parents who assisted in various roles at the Athletics Carnival. In particular: Bernadette Mihaljevic on the recording desk and Nim Hehir, Raelleigh Rogers, Colette Harkin and Lisa Lockey with judging, marshalling and timekeeping.

Special bouquets to Bernadette, Colette, Raelleigh and Lisa who put their hamstrings on the line and ‘re-interpreted relay rules!’ in a desperate attempt to keep up with brilliant teacher running in the parent/teacher/senior student relay! They were heard lamenting that it was hardly fair running against a former 200m Olympian runner (our kindergarten teacher maestra Melissa Medlicott) and a fit, young male teacher! (Guess who!)

So bouquets also to maestri Peter Scerri, Arianna Cansdell and Katherine Fielding (and of course Melissa) who didn’t let the teachers’ side down! It was a great way to finish the carnival!

Red Group children experimented with water, oil and salt and the combined action looked like a lava lamp. The oil on top of the water floated because it is lighter. When salt was added, it was heavier than the oil and it sank down into the water taking some oil with it. As the salt dissolves, back up goes the oil! The effect will keep going as more salt is added.

Several of our parents built some new planter boxes for the veranda – Forrest Koch, Ben Pronk, Chris Tracy and Alvaro Macais – from recycled timber. They have been filled with mushroom compost and are now ready for the children to plant flower seeds.

We welcome Helen Pearson, a qualified Early Childhood teacher, to Green Room. Helen is relieving for Petro while she is on sick leave.

Year 3/4

The term has begun with much excitement as we prepare for our camp in week 9 at Birrigai. We will be participating in the ‘Adventure Ropes Course’ and notes were sent home this week with the students. Please note that each page of the notes are different colours to help collate and organise the information. If families need another note, please ask the class teachers or collect from the front office so we can replace lost notes in colour.

We received an e-mail from the Princes to let us know that they are really enjoying their travels and have made it into central Australia to a place called Innamincka. This place is particularly interesting from an historical perspective as it is the place where Burke and Wills, our inland explorers, met their untimely death. It is the place of the ‘dig tree’, and so much history from that period of time. We look forward to hearing all about it when they get back next term.

Year 4 were entertained by our preschool buddies this week with their mystery box sharing. It was fun to help them with their questions and to try and guess what was in the box. We also enjoyed the warm weather and spending some time outdoors with our buddies in their playground.

All students participated in our annual athletics carnival yesterday and it was wonderful to see everyone ‘having a go’. The weather was kind to us, and although it was quite a chilly start, everyone enjoyed the day. Thank you to Maestra Webster and the carnival committee for all the organising and preparation of the students for the events. Thank you to all the parents for being there on the day to help out.

The annual ‘Y Factor’ competition is underway with heats being held this week and next. Students who wish to compete are encouraged to enter their item on the ‘Çhit Chat’ notice board in the Piazza. We can watch each of the heats by paying 50c on the day and it’s an excellent way to support the school’s fundraising committee.

We will be selecting new SRC Reps this week to take over the important job of representing our classes at our Student Representative Council. We would like to thank our first semester’s four representatives who did an excellent job reporting back from the meetings and helping to organise events such as fundraising.

From the 3/4 team

Cheryl Couch and Carmela Brancato
The class is really engaged in our Inquiry Unit ‘My Story.’ We have been researching the origins of our names and have been looking back into the countries of origin for our names. We are currently preparing posters to share information about different countries around the world with each other. We are lucky to have originated from all parts of the globe and to be able to learn so much from each other.

On Wednesdays, a team of students from both the SLSU and Eliotropio, have been teaching the class about different applications on the ipads. Together, we have designed an ebook on memories and have been exploring filming, editing and recording applications. We are looking forward to sharing some of these with you during Learning Journeys.

In preparation for Athletics, we enjoyed extra fitness sessions and learning the techniques of long jump and shot put. It has been pleasing to see the students challenging themselves to try their hardest!

The Year Four students are preparing for an overnight camp at Birrigai, later in the term. Camp is a wonderful opportunity for all students to challenge themselves in different settings, gain independence and confidence. We hope that all of these students will participate. Please come and see me if you have any queries about camp.

Have a great week,

Jodie Stewart

The series will cater to experienced junior cyclists and we are encouraging children who are keen to try road racing for the first time to come out and give it a go. You do not need to commit to racing the whole series, just try 1 and see how you go! In addition to the 2 races on each day, skills sessions will be run to improve the kids bike handling skills.

The event will be held in a safe, traffic free environment at Stromlo Forest Park.
